

Claire Murphy

Hi, I'm Claire and I work as an Early Help Area Officer with Cumberland Council.

My role is to support children, young people, families and professionals by helping identify needs early and ensuring the right support is available at the right time.

I am passionate about building positive relationships and working alongside families to help them overcome challenges and achieve their goals.

I have experience working in youth services, education, residential childcare and probation, which has given me a strong understanding of the many factors that can affect family life.

Outside of work, I am a proud mum to two children and enjoy keeping active at the gym, spending time outdoors, and making the most of family adventures. I strongly believe that every child deserves the opportunity to thrive.
